

# Delhi Education Society

A BIENNIAL NEWSLETTER OF DES

(Vol.-I, Issue No. 1, 2019) (Regd. S-475)

## President's Message

I am extremely delighted to know that the Delhi Education Society (DES), under the aegis of which runs three schools in the walled city of Delhi, brings out its maiden newsletter.

I feel pleasure to acknowledge that DES has been rendering its great services to these schools which provide education to the children belonging to the marginalized sections for several decades.

It makes me feel even more privileged to see that by virtue of publishing its first ever newsletter, the DES will reach out to all the stakeholders by showcasing to them the plethora of activities that the schools undertake on regular basis.

This will also bridge the communication gaps between the schools and the community and thus the DES can provide an enabling academic atmosphere over there.

I thank all the contributors for taking pains in bringing out the newsletter. I wish all the best for its publication and wider dissemination.

## Delhi Education Society

The Delhi Education Society is an independent organization working to ensure that quality education reaches the masses, especially, the vulnerable and marginalized sections of society. The Society was set up in 1951 when a group of visionaries led by Dr. Zakir Hussain, the erstwhile President of India, formed a society to work for the cause of education in the walled city area of Delhi. Along with Dr. Zakir Hussain, Prof. Mohd Mujeeb, Mirza Shahbaz Begg, Mr. M. M. Zaidi, Mir Mushtaq Ahmed, Mr. Shafiqur Rehman Qidwai, Mufti Atiqur Rehman, Dr. Salamatullah, Mr. Abdul Hameed and Mr. M. M. Begg were the founder members of the Society. Amongst prominent educationists, academics and concerned citizens as its members, the Society, over the years, has had as its Presidents, the Vice Chancellors of Jamia Millia Islamia in their ex-officio capacity. Prof.

Najma Akhtar, Vice Chancellor, Jamia Millia Islamia is the President of the Society. The Society manages and runs a number of schools in the walled city area of Delhi, catering to the need of predominantly Muslim population - this includes the over 300 year old Anglo Arabic School at Ajmeri Gate (originally Madarsah Ghaziuddin) and the nearly 100 year old Shafiq Memorial

School at Bara Hindu Rao. More recently the Delhi Education Society has established the Anglo Arabic Model School to provide quality education through an English medium school to children of the walled city of Delhi.

The Anglo Arabic School, which was probably the first secular educational institution of its kind in India, has been referred to by various names over its long period of existence by the various forms it assumed - 'Madarsah

Ghaziuddin', 'Anglo Arabic School and 'Delhi College'.

The School has had a long history of glory and fame, and has been witness to many crucial moments in the history of Delhi, and the country. It counts amongst its alumni, faculty and associates, numerous outstanding individuals - Liaqat Ali Khan, the first Prime Minister of Pakistan; Sir Syed Ahmad Khan, J.N. Dixit, Gopi Chand Narang, Khwaja Ahmed Faruqui and Deputy Nazir Ahmed, S.Y. Quraishi, Sirajuddin Qureshi, Meem Afzal, Shahid Siddiqui, Dr Aslam Parvaiz and a host of others. The building that houses the Anglo Arabic Senior Secondary School was declared a heritage site by the Delhi Development Authority in 1993

# ANGLO ARABIC SR. SEC. SCHOOL

The Anglo Arabic School has its origin in Madarsa Ghaziuddin built by Nawab Ghaziuddin Khan, the father of the first Nizam of Hyderabad, Mir Qamaruddin in 1692. The building represents one of the few surviving Mughal Madaras and much of its original design has been preserved. The founder of the Madarsa, Ghaziuddin Khan lies buried in this campus in a beautiful Maqbara(tomb). Anglo Arabic Senior Secondary School is imparting both classical and modern education. This school is a recognized Govt. Aided Muslim Minority Institution where the subjects of all three disciplines namely Science, Commerce and Humanities are taught through English, Hindi, and Urdu medium.

Students of Science Stream of Class XI & XII participated in programme organized by Indian Air Force at Bal Bhawan

21 cadets of Anglo Arabic Sr. Sec School participated in Kargil Vijay Diwas programme held at India Gate Along with battalion Col.PI Staff, Ranjeet Singh and ANO, Abdul Kadir

The Manager of the school, Prof. Waseem Ahmad Khan was felicitated by the staff of the school on being appointed as the Chief Proctor of JMI.

PARAKH AWARD

1st Position in Qawali

Fit India Plog Run

The school was established prior to Indian's independence in 1921 by the name of Madarsa Rehmania, where children were given Islamic religious education. By 1962 it became a higher secondary school replacing the earlier name as we know it today, Shafiq Memorial Senior Secondary School. Over the years the institute has been dedicated to the cause of education which reflects in the passion an ecosystem which nurtures scientific innovations, intellectual revelations, infinite imagination and most things of value which are manifestations of creativity. With this vision we set off on a journey with Shafiq Memo-

**COMMUNITY INTERVENTION**

Community members always responded and stood by whenever the school was in need. They extended help with their heart and soul. The people of the locality are always there not only to boost up, the school image but also to run the school smoothly regardless of the difficulties in

**SCHOLASTIC ACTIVITIES**

The school is running in two shifts; from classes 6 to 12 in the morning and Primary classes in the evening. The school has all the three streams, Arts, Science and Commerce. The school's result in the Board exam has always been satisfactory despite the fact students enrolled here come from very poor socio-economic background.

**CO-SCHOLASTIC ACTIVITIES**

A school is a social institution wherein a student gets chance to develop and hone his or her social skills. The co-curricular activities are one such area through which they get a chance to show case their talent. Here they get an opportunity to interact with their peer group not only their own but from other streams.

Inter-house and Inter School Events at local and zonal level provide such a platform to come in contact with others with different interests and skills.

**Student Council**

A school council body has been constituted, through democratic elections. Students went through the process of understanding need for elections, different aspects associated with it. A physical space is also created in school for the student council to collaborate, hold meetings and ideate of activities they wish to do throughout the year.

The IL &FS provisioned the school with 20 chrome books and K-Yan and a computer lab was set up by the DOE which has created technology rich learning atmosphere in the school .

Provisioning of academic inputs to enhance the learning levels and facilitate the existing schoolteachers in more child centred pedagogic practices became one very crucial part of the program.

# ANGLO ARABIC MODEL SCHOOL

The Anglo Arabic Model School is a co-educational Self Financing, English medium institution. The school emerged as a new chapter in the year 1996 and was finally recognised in the year 2009. One of the key objectives of the Society and its schools is to create an enabling environment conducive for education and to realize the rights of the children. The result of the Class X board has shown a steep rise of 24% in 2018-19. Now we have 100% Result in Class - X Board (2018-19). As we live in the age of information & Technology, we have introduced Information Technology for grade IX from the session 2019-20.
